

To colleagues across our partnership

Updates from our meeting held at the University of Nottingham Thursday 05 July 2018

Rory's Story Cubes (find them on Amazon)

Great for reflection and coaching, ask your recipient to select from the cubes (approx. 3) something about how they are feeling or describes a situation they are in etc.

Most of our day we were absorbed in the power of reflective practice

- "Having reflected yesterday evening(!!!) I really took a lot away from this shared learning opportunity". Rie Lane, Loughborough
- "It was great to be with you all and I got a lot from the day. You put a lot of effort into making it a very engaging day". Kate Crane, Birmingham.
- "I've been reflecting a lot since the session and I cannot wait for my words dice to arrive!" Beth Lloyd Aston
- "It was lovely to meet you all and I got a lot from the discussions about reflection" Matt Dix, Birmingham.
- "I haven't been to MSDP for some years and it was so refreshing to experience the difference in approach. I had my DPR today – so having the reflective space was very welcome. So thanks Carol and Christine." Bev Millinchip, Derby.
